To Whom it may Concern

Friesland Hellas SA hereby certifies that George Christopoulos and his team have successfully completed the engineering, delivery, installation and start up of new equipment, utility supply networks and the overhauling of the existing systems on a "turn key basis project" at the new Friesland Hellas - "NOYNOY" Yogurt Plant Patras, Greece.

The works executed by George Christopoulos and his team included:

- Process Water Systems
- Steam Production and Distribution Systems
- Compressed air Systems
- Automation Control
- Electrical Installation

On behalf of Friesland Hellas SA

Nicholas Sarsentis
Project Manager
